CARM XXXIX.7 OS  
1:2500 1906

Possible reference to this intrenchment  
by S. Lewis (1833). He mentions an  
elevated "Roman Camp" \* to the north  
of the town. His description is vague  
& he has confused north & south  
on previous occasions.  
\* In a few called the Bulwark
