St. Mary's Church

1114

A mean little barn. In the yard an enclosure in which lie two stones resembling swathed mummies. Whose remains do they cover? There is no inscription. A tradition reports that the Cwm Gloyne Ogham stone placed by Mr. Henry Owen in Nevern Church originally came from this place.

*Notes**Annexed with St Andrew's, Maylgart. S. Lewis 1833.*
