

There are 8 ECMs at St Dogmaels,  
two of them being post conquest Celtic  
(Romanesque Hybrids (1090 & 1220). Only 7  
ECMs are mentioned by the OS & Nash  
Williams only lists 6. He misses 1090 &  
1221. The 7<sup>th</sup> stone mentioned by him  
(W-W No 390) is not from St Dogmaels  
but from St Dogwells (2404)
