

There are 8 ECMs at St Dogmaels,
two of them being post conquest Celtic
[Romanesque Hybrids (1090 & 1220). Only 7
ECMs are mentioned by the OS & Nash
Williams only lists 6. He misses 1090 &
1221. The 7th stone mentioned by him
(W-W No 390) is not from St Dogmaels
but from St Dogwells (2404)
