could be in region of Holy Trinity church? ✓

The post-medieval Holy Trinity church (17324) was built in 1893 on the original foundations

TCASFC p11

[Not to be confused with another documented mediaeval chapel SN6328 (PRN 12744) which was marked on the (14) Rees map and ^{was} also in the Taleyares area.]

Originally, Taliaris chapel had been a chapel-of-ease to Hlandilofawr
