

COMMENT

AUTHORITY

Nothing could be seen on the ground + Mr Dawes has not seen anything during ploughing.

~~ER Evans~~ Nov 1983

The OS card records the probable remains of a cairn at SN47382624, recorded from the RAF air-photos.

OS card - RAF AP's 1946  
106G-UK-1625, 3130-1

An OS field report of 1967 states that there are no visible remains.

OS card - report of 1967 field visit

The Meridian AP's show nothing at this position but there is a circular feature in an adjoining field which has led to some confusion.

Meridian AP's 1955  
240-220, 20051-2

PRN's 1620 and 1729 are in the same field.
