Pentyparc

House

14358

William, 2nd son of Sir Thomas Philipps, Kt. of Picton, seems to have been the founder of Pentyparc. His brother John of Picton was Sheriff in 1542. We find John Philipps 1622, James Philipps 1734, the same in 1787, and Frederick Lewis Lloyd Philipps 1887, all of Pentyparc, serving as High Sheriffs of Pembrokeshire.

"The old mansion of Pentypark having been destroyed by fire, the present one was built in 1710"

T. Nicholas 1872
