

4. PUMSAINT
665402

G A Roman gold mine with possibly earlier origins. Very extensive and on National Trust property. An extremely important site.

Hall 39-48. 1 Bird 32-35. 2 Rees 119-121

Bick, DE 1982

The Gold Mines covered an area greater than the grid ref. suggests, extending probably as far as Cwrt-y-Cilion (SN658397) in the south. See The National Trust Year Book article by P R Lewis.
