III Capel Seion

19389 77403023 XXVII 9

Dated 1890 but looks about 60 years earlier. Rendered frontage, slate hung end elevations, slate roof, eaves, chamfered quoins. Symmetrical entrance elevation with 2 windows on 2 levels, sashes in round-headed architraves with keystones, forked glazing bars. Similar central door opening with double panelled doors under arched fanlight.
