

Visited following planning application to demolish.

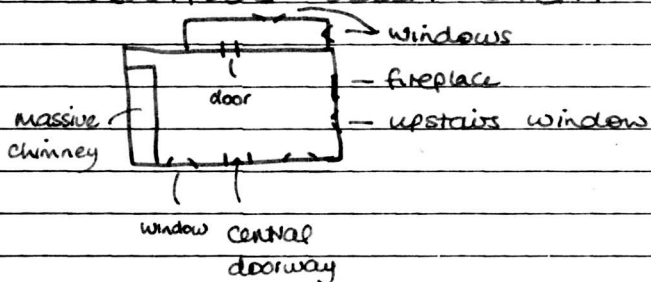

J1/CMS 17-3-85

Cottage - one and a half storey - two ground floor rooms with lean to on the back - central entrance - two front windows - two small windows to lean-to; one upper floor window at end.

Walls - Stone - irregular shale - roughly coursed - no quoins etc or such.

Roof - gabled - slated - destroyed.

Chimneys - lateral - internal - stone built - drip coursing on stacks - one massive with oven.

All traces of internal features are destroyed.

The cottage stands in a walled enclosure and will be demolished any day now.

Probably of 19th C date.

GP's. 65-95 view of inside showing massive chimney + fireplace

65-96 view of back showing lean to
