

Rubble Stone construction / demo notes
with corner render. South-facing
detached farmhouse with courtyard of
outbuildings. The farmhouse walls
stand to roof height, with lean-to at
rears, and evidence of slate roof. Two lateral
chimneys at either end, with ground level
and first floor level fireplaces. Side (E)
lean-to with brick over range. Garden
enclosure and well to front. Detached
'courtyard' range of buildings, mostly stone
built, roofless, and brick-built calf
sheds. Armed cables to E.
