

A Section published in the inventory⁽¹⁾ seems to show a refreshing of the Dyke, with an old turf line, above the primary make of the bank, sealed by a layer of gravel.

(1) RCAHM Cam Inventory, 1917

P. 22

(2) ~~See~~ See DAT record map SN 335E.

Visited by D Benson & J Williams, April 1977. Extension of Dyke traceable in a plough reduced from in field to north of barn (2) at SN 327377 (2)

J H Williams ~~1977~~ 27/4/77
