1990

11. Name - Ogof Mwn Grid ref. SM 780243
Parish St Davids District - Preseli Pems.

P.F. CLAUGHTON
1991

-Trial for copper in an inlet 600 yards west of Porth y rhaw.
-Adit (partially filled with tidal debris) in base of cliff at
head of inlet. Steps out in cliff for access.

No historical detail.

*There is no more than a deep natural inlet No
evident man-made features*
