Eastwood, Narberth - SN 103136 - short trial adit in small quarry 200 yards north west of house and reports of old workings south east of Peter's Lake Bridge. Reputed to be a 'silver mine' although only trace of mineralisation is a narrow quartz string in the adit and iron/manganese staining on rocks on pits south east of the bridge.

16. Name - not known Grid ref. SN 103136
Parish - Narberth District - South Pems.
Reputed silver mine at Eastwood Farm.
Trial adit in quarry 200 yards north west of farmhouse (open).
No historical detail; adit is fairly late, displays shot holes.
