

## COMMENT

## AUTHORITY

Manorbier Iron Mine, Jameston - SS 056938 - shaft and open pit worked for iron (haematite/limonite deposit in limestone) in 1908-9. Trials had earlier been carried out in 1864-5.

P.F. CLAUGHTON  
1990

19. Name - Manorbier Iron Mine

Grid ref. SR 05.98. and  
08.97.

P.F. CLAUGHTON  
1991

Parish - Manorbier

District - South Pembs.

Iron workings in and around Jameston village and alongside road to Lydstep Point south of Lydstep village.

Shafts all now filled, nothing visible at surface.

First opened up 1864-5; reworked 1908-9.
