75 No. 4	Tower Point	Flint Factory	2621	hul.
Here on the edg	ge of the cliff was a cc. When last visited	very important f	actory of flint	1814/9
a strata on the	e cliff side, but as	it was in section	, proved a great	UCA NK
portion had gor	ne over into the sea.	We found several	leaf-shaped	
points, and one	e regular arrow head.			111.61118
