87A No. 5

Brunt Farm

Oval shaped polished  
Stone

10520

In Tenby Museum. This curious object was given to H. Mathias Esq. by Mrs. Allen (the tenant's wife) and presented by him to the Museum. It is about the size and shape of a fowl's egg; both ends, however, are the same - rounded, not sharp. It is formed of green stone. Use uncertain, perhaps an amulet.
