

COMMENT	AUTHORITY
Marked as scheduled by the OS.	
Does not appear on current SAM list	
There is possibly some confusion between	
this site and the well known 3298 3297	
59 No. 4 East Hook Rath 3297	
About 400 yards south west of Walesland Rath (59 No. 3) but somewhat	
smaller. There are indications that in places at all events there	
was a second line of defence.
