Built in 13th C, contemporary with rebuilding of captle + founding of borough. Later rebuilt but slightly wither apt to the south wall south wall south wall south of the chancel is an ancient incised cross. One of the most striking features of the church is a small tower, on which a larger has been built. On the south of the chancel is a good Norman pillar, and the font is of the same period. The chapel to the south of the church is named after St. Hugh, and the recumbent effigy of a priest therein is popularly supposed to represent this saint, after whom the great pool in the river is also called. What St. Hugh is this? The church was restored (?) in 1862, and the roof raised 16 feet". Rev. D. Williams. Fenton, 327. Owen's Pembrokeshire, II, 291, 297, 311, 323.	COMMENT	AUTHORITY
This remarkable church is worthy of a great deal more attention than it has received. On the exterior east wall of the chancel is an ancient incised cross. One of the most striking features of the church is a small tower, on which a larger has been built. On the south of the chancel is a good Norman pillar, and the font is of the same period. The chapel to the south of the church is named after St. Hugh, and the recumbent effigy of a priest therein is popularly supposed to represent this saint, after whom the great pool in the river is also called. What St. Hugh is this? The church was restored in 1862, and the roof raised 16 feet". Rev. D. Williams. Fenton,	Built in 13th C, contemporary with rebuilding of captle + founding
