Kilgetty Park

Kilgetty House

3647-8

The site of the old home of the Canons of Kilgetty is to be found in the farmyard. The walled deer park was probably the work of the first Lord Milford, or perhaps his father, Sir John Philipps. Sir Erasmus Philipps of Picton Castle, 3rd baronet, had an eldest son Edward, who married Elizabeth, daughter and heiress of John Canon Esq. of Kilgetty. Edward died s.p. vita patris, and Kilgetty merged into the Picton Estate. Sir Erasmus, 3rd baronet, died 18 January 1697. Burke's Baronetage.
