Manorbier

Castle

4221

Arch. Camb. II, i, 68; III, iii, 308; IV, xi, 287; IV, xi, 134; IV, xiii, 166. Little England, 259, 306, 321, 348, 379, 405. Mason's Tenby Guide 7th edition, page 82.

108 No. 10

Manorbier

Outworks

4221

In the field to the north of the drive of Manorbier Castle there are remains of a bastion which arose from the wall enclosing the eastern courtyard of the castle. One side is nearly perfect, the other in ruins. The whole curtain of this ward can be traced.
