St. Christolus Church 4330

Church rebuilt in 1841. A small octagonal stone font; an oak chest with "N.J., C.W., 1789" and a pewter paten (resembling one at Gumfreston) are all the relics left of the old church. In the pulpit was a quarto volume: THE/SERMONS/OF/MASTER SAMUEL HIERON/1635. THE/WORKS/OF/MR. SAM HIERON/LATE PASTOR OF MOD/BURY IN DE/VON/1634.
