Castlemartin

St. Michael's Church 562

For some reason, in days gone by Castlemartin church was reduced in size; a north transept and south chapel, or two chapels, one on each side of the chancel, have been removed; but shorn though it is, no church in Pembs. is of greater interest. Fenton, 406. Arch. Camb. II, iii, 179 (illustrated); IV, xi, 337. Little England, 380.
