

COMMENT

Mr Richards Llwynnraes found a stoep on their land (a). This is now in Llarpump Saint Church. Nothing else has been found.

ER Evans Nov 1983
Mrs Jones, Bettws
Mr Richards Llwynnraes
- Nov 1983

Mr Jones Bettws said that the cemetery was in field (b) [CR PRN 10233]. A semicircular faint bank ditch can be seen in the field (See sketch) commonly thought to be the site of the cemetery. The field has not been ploughed, but when the main water supply was put down different earth layers were observed: nothing was found however.

stoep: four sided:
projections each corner: badly worn.
