Holloway Farm

This ancient house probably stands on the site of a still earlier dwelling which was known as LATH TY TELIAU VILLA TANTUM SUPER RIPAM JUXTA PENALUN - "The dairy house of Teilo, a house only, on the banks of the Ritec near Penally" Book of Llan Dav, 254; Liver Landavensis, 521. Teilo's dairy was a 6th century farm. Holloway is again mentioned by George Owen, page 160, Cymmrodorion Edition.
