Landshipping

Mansion

7821

An old house of the Owens of Orielson. Fenton, 244.

'Old' Landshipping (with a huge 20
heaths in 1676 and a "water folly by
Mr. Hancock" 1693) has long gone.
'New' Landshipping, down on the
Haven nearby, was late 18th, with
twin bows to full height flanking
the front door. A total shell for
many years.
