High Street

Site of old Town Hall 8632

The old Town Hall stood on the sloping ground immediately to the eastward of St. Mary's Church; underneath was the market-place. It is figured in a lithograph of "High Street, Haverfordwest in 1822" from a drawing by the late Mr. Thomas Ellis, Short Row School. Published by his son, Edmund Henry Ellis, 94 Dew St. Haverfordwest, June 1886.
