

Maen Lloyd farmhouse is now
derelict. The fields Rwy y corrig,
Llywdion issa and uchaf now
belong to Mr. Bearman of College Farm.
There is no evidence of the positioning
of the stone within the fields marked
nor is there any memory of this.

Mr Bearman of College Farm said
that he had not noticed any
smaller stones in the field, he
has no intention of ploughing the
field for a few years. Mr Bearman
knows of 2 large stones in a
field to the SW of Green Bush
Cottage - however there is no
history of these being the ones from
Maen Lloyd farm.
