

18. FRONGOCH
723745

L,Z One of the most productive lead/
zinc mines in Wales, with quite the
most comprehensive mine buildings
remaining in the principality,
including three Cornish engines.
THIS SITE IS OF PRIME IMPORTANCE
and urgently requires repair if
the structures are to survive.

16. Frongoch Powerhouse
710743

Very large building that housed
steam and waterpowered generators
for the ill-fated Frongoch re-
opening c. 1900.
