Dear Dr Jones

**ANCIENT MONUMENTS AND ARCHAEOLOGICAL AREAS ACT 1979
SECTION 2 AND SCHEDULE 1

PROPOSED WORKS AT: CARDIGAN CASTLE (CD123)**

I refer to your application dated 10 February 2016, for scheduled monument consent to erect temporary scaffolding for an abseiling event on 2/3 April 2016 at the above scheduled ancient monument.

You declined the opportunity of appearing before, and being heard by, a person appointed for that purpose, afforded to you by Cadw in the letter dated 19 February 2016. Nor have you submitted any further representations in support of your case.

The proposed works can be carried out without detriment to the historic or archaeological integrity of the monument. Accordingly, the Welsh Government hereby grants scheduled monument consent for the works described at paragraph 4 of the application dated 10 February 2016, subject to the following conditions:

1. that Cadw shall be given at least one weeks notice, in writing, of the date of the commencement of the work or of any subsequent adjustment to this date, to allow Cadw's representatives to monitor on site activity;
2. that access to the site shall be afforded to representatives of Cadw;
3. that all contractors and visitors are made aware of the scheduled status of the monument and the associated restrictions that this carries;
4. that the proposed activity is undertaken in accordance with the method statements submitted in support of the scheduled monument consent application, and that any

modification to the proposed works shall require the prior written approval of Cadw, before it is undertaken;

5. that the site shall be reinstated to the satisfaction of Cadw; and
6. that Cadw shall be informed in writing immediately upon the completion of the works.

Section 2(6) of the 1979 Act provides that non-compliance with a condition attached to a grant of scheduled monument consent shall be an offence.

By virtue of Section 4 of the 1979 Act if no works to which this consent relates are executed or started within 5 years from the date of this letter, the consent shall cease to have effect at the end of that period (unless it is revoked in the meantime).

This letter does not convey any approval or consent required under any enactment, bylaw, order or regulation other than Section 2 of the Ancient Monuments and Archaeological Areas Act 1979.

Your attention is drawn to the enclosed note (SMC19) which sets out your right to challenge the above decision.
