Dear Mr Muskett

**ANCIENT MONUMENTS AND ARCHAEOLOGICAL AREAS ACT 1979  
SECTION 2 AND SCHEDULE 1  
APPLICATION FOR SCHEDULED MONUMENT CONSENT  
PROPOSED WORKS AT: CAREW CASTLE (PE001)**

I refer to your application dated 13 January 2016, for scheduled monument consent to waterproof the floor of the Great Turret at the above scheduled ancient monument.

You declined the opportunity of appearing before, and being heard by, a person appointed for that purpose, afforded to you by Cadw in the letter dated 27 January 2016. Nor have you submitted any further representations in support of your case.

The proposed works can be carried out without detriment to the historic or archaeological integrity of the monument. Accordingly, the Welsh Government hereby grants scheduled monument consent for the works described at paragraph 4 of the application dated 13 January 2016, subject to the following conditions:

1. that Cadw shall be given at a week's notice, in writing (email is acceptable), of the date of the commencement of the work or of any subsequent adjustment to this date, to allow Cadw's representatives to monitor on site activity;
2. that access to the site shall be afforded to representatives of Cadw;
3. that the works shall be carried out strictly in accordance with the documents submitted with the application, and with the additional information in the email from Andrew Muskett dated 21<sup>st</sup> January 2016;
4. that all fixings shall be made into mortar joints and not into stonework;

Mae'r Gwasanaeth Amgylchedd Hanesyddol Llywodraeth Cymru (Cadw) yn hyrwyddo gwaith cadwraeth ar gyfer amgylchedd hanesyddol Cymru a gwerthfawrogiad ohono.

The Welsh Government Historic Environment Service (Cadw) promotes the conservation and appreciation of Wales's historic environment.

Rydym yn croesawu gohebiaeth yn Gymraeg ac yn Saesneg.  
We welcome correspondence in both English and Welsh.

5. that a photographic record of works shall be made, including before, during and after photographs. These shall be annotated where necessary, and submitted to Cadw within 3 months of works being completed;
6. that the site shall be left in a stable and tidy condition once works are completed, to the satisfaction of the landowner and of Cadw; and
7. that the performance of the new membrane shall be monitored regularly (probably most easily through monitoring the conditions inside the Lesser Hall and observing how much water is coming into Perrots Wing) and that, if the repairs fail, Cadw are notified.

Section 2(6) of the 1979 Act provides that non-compliance with a condition attached to a grant of scheduled monument consent shall be an offence.

By virtue of Section 4 of the 1979 Act if no works to which this consent relates are executed or started within 5 years from the date of this letter, the consent shall cease to have effect at the end of that period (unless it is revoked in the meantime).

This letter does not convey any approval or consent required under any enactment, bylaw, order or regulation other than Section 2 of the Ancient Monuments and Archaeological Areas Act 1979.

Your attention is drawn to the enclosed note (SMC19) which sets out your right to challenge the above decision.

Yours sincerely,

Adele Davies
