Dear Mr Muskett

**ANCIENT MONUMENTS AND ARCHAEOLOGICAL AREAS ACT 1979
SECTION 2 AND SCHEDULE 1
APPLICATION FOR SCHEDULED MONUMENT CONSENT
PROPOSED WORKS AT: CAREW CASTLE (PE001)**

I refer to your application dated 13 January 2016, for scheduled monument consent to erect a sign at the boundary wall at the site of the above scheduled ancient monument.

You declined the opportunity of appearing before, and being heard by, a person appointed for that purpose, afforded to you in the letter dated 6 April 2017. Nor have you submitted any further representations in support of your case.

The proposed works can be carried out without detriment to the historic or archaeological integrity of the monument. The works accord with the sustainable development principle and contribute towards the well-being goals defined in section 4 of the Well-being of Future Generations (Wales) Act 2015.

Accordingly, the Welsh Ministers hereby grant scheduled monument consent for the works described at paragraph 4 of the application dated 13 January 2016, subject to the following conditions:

1. that we shall be given adequate notice, in writing (email is acceptable), of the date of the commencement of the work or of any subsequent adjustment to this date, to allow our representatives to monitor on site activity;
2. that any modification to the proposed work shall require our written approval before it is undertaken;
3. that, if possible, the sign shall be fixed to the existing concrete;

Mae'r Gwasanaeth Amgylchedd Hanesyddol Llywodraeth Cymru (Cadw) yn hyrwyddo gwaith cadwraeth ar gyfer amgylchedd hanesyddol Cymru a gwerthfawrogiad ohono.

The Welsh Government Historic Environment Service (Cadw) promotes the conservation and appreciation of Wales's historic environment.

Rydym yn croesawu gohebiaeth yn Gymraeg ac yn Saesneg.
We welcome correspondence in both English and Welsh.

4. that, if it is not possible to fix to the existing concrete, the excavations for the new footings shall be carried out under an archaeological watching brief, carried out to the standards of the ClfA. A report shall be returned to the Historic Environment Service (Cadw) within 2 months of the works being completed. A copy of the report shall also be lodged within the Historic Environment Record, held and maintained by Dyfed Archaeological Trust. A brief report shall still be returned for negative results, and
5. that details of the archaeologist , carrying out the watching brief, shall be supplied to us in advance of works being undertaken.

Section 2(6) of the 1979 Act provides that non-compliance with a condition attached to a grant of scheduled monument consent shall be an offence.

By virtue of Section 4 of the 1979 Act if no works to which this consent relates are executed or started within 5 years from the date of this letter, the consent shall cease to have effect at the end of that period (unless it is revoked in the meantime).

This letter does not convey any approval or consent required under any enactment, bylaw, order or regulation other than Section 2 of the Ancient Monuments and Archaeological Areas Act 1979. It is the responsibility of the applicant to obtain any such approval or consent where necessary.

Your attention is drawn to the enclosed note (SMC19) which sets out your right to challenge the above decision.

Yours sincerely,

Denise Harris
