Dear Mr Meek

**ANCIENT MONUMENTS AND ARCHAEOLOGICAL AREAS ACT 1979
SECTION 2 AND SCHEDULE 1
APPLICATION FOR SCHEDULED MONUMENT CONSENT
PROPOSED WORKS AT: PEMBROKE CASTLE (PE005)**

I refer to your application dated 3 July 2015 for scheduled monument consent for trial trench evaluation for a new stairway at the above scheduled ancient monument.

You declined the opportunity of appearing before, and being heard by, a person appointed for that purpose, afforded to you by Cadw in the letter dated 4 September 2015. Nor have you submitted any further representations in support of your case.

The proposed works can be carried out without detriment to the historic or archaeological integrity of the monument. Accordingly, the Welsh Government hereby grants scheduled monument consent for the works described at paragraph 4 of the application dated 3 July 2015, subject to the following conditions:

1. that Cadw shall be given at least 5 days notice, in writing, of the date of the commencement of the work or of any subsequent adjustment to this date, to allow Cadw's representatives to monitor on site activity;
2. that access to the site shall be afforded to representatives of Cadw;
3. that the WSI, submitted in support of this application, shall be adhered to and any changes to the proposed methodology shall be agreed in writing in advance of implementation;
4. that the trench is backfilled at the end of the excavation period, and that the site shall be left in a stable and tidy condition to the satisfaction of the site owner (or their representative) and of Cadw; and

5. that Cadw shall be informed in writing immediately upon the completion of the works.

Section 2(6) of the 1979 Act provides that non-compliance with a condition attached to a grant of scheduled monument consent shall be an offence.

By virtue of Section 4 of the 1979 Act if no works to which this consent relates are executed or started within 5 years from the date of this letter, the consent shall cease to have effect at the end of that period (unless it is revoked in the meantime).

This letter does not convey any approval or consent required under any enactment, bylaw, order or regulation other than Section 2 of the Ancient Monuments and Archaeological Areas Act 1979.

Your attention is drawn to the enclosed note (SMC19) which sets out your right to challenge the above decision.

Yours sincerely,
