Dear Mr Williams

**ANCIENT MONUMENTS AND ARCHAEOLOGICAL AREAS ACT 1979
SECTION 2 AND SCHEDULE 1
APPLICATION FOR SCHEDULED MONUMENT CONSENT
PROPOSED WORKS AT: PEMBROKE CASTLE (PE005)**

I refer to your application dated 7 March 2017, for scheduled monument consent to carry out the replacement of iron gates in Wogan Cavern at the site of the above scheduled ancient monument.

You declined the opportunity of appearing before, and being heard by, a person appointed for that purpose, afforded to you in the letter dated 10 April 2017. Nor have you submitted any further representations in support of your case.

The proposed works can be carried out without detriment to the historic or archaeological integrity of the monument. The works accord with the sustainable development principle and contribute towards the well-being goals defined in section 4 of the Well-being of Future Generations (Wales) Act 2015.

Accordingly, the Welsh Ministers hereby grant scheduled monument consent for the works described at paragraph 4 of the application dated 7 March 2017, subject to the following conditions:

1. that the we shall be given adequate notice, in writing (email is acceptable), of the date of the commencement of the work or of any subsequent adjustment to this date, to allow our representatives to monitor on site activity;
2. that access to the site shall be afforded to our representatives;
3. that any modification to the proposed work shall require our written approval before it is undertaken;

Mae'r Gwasanaeth Amgylchedd Hanesyddol Llywodraeth Cymru (Cadw) yn hyrwyddo gwaith cadwraeth ar gyfer amgylchedd hanesyddol Cymru a gwerthfawrogiad ohono.

The Welsh Government Historic Environment Service (Cadw) promotes the conservation and appreciation of Wales's historic environment.

Rydym yn croesawu gohebiaeth yn Gymraeg ac yn Saesneg.
We welcome correspondence in both English and Welsh.

4. that all new fixings are made to mortar and not to masonry;
5. that existing fittings are re-used; and
6. that the Welsh Ministers are notified once works are complete.

Section 2(6) of the 1979 Act provides that non-compliance with a condition attached to a grant of scheduled monument consent shall be an offence.

By virtue of Section 4 of the 1979 Act if no works to which this consent relates are executed or started within 5 years from the date of this letter, the consent shall cease to have effect at the end of that period (unless it is revoked in the meantime).

This letter does not convey any approval or consent required under any enactment, bylaw, order or regulation other than Section 2 of the Ancient Monuments and Archaeological Areas Act 1979. It is the responsibility of the applicant to obtain any such approval or consent where necessary.

Your attention is drawn to the enclosed note (SMC19) which sets out your right to challenge the above decision.

Yours sincerely,

Denise Harris
