Dear Mr Murphy

**ANCIENT MONUMENTS AND ARCHAEOLOGICAL AREAS ACT 1979
SECTION 2 AND SCHEDULE 1
APPLICATION FOR SCHEDULED MONUMENT CONSENT
PROPOSED WORKS AT: ST PATRICK'S CHAPEL (PE012)**

I refer to your application dated 26 March 2015, for scheduled monument consent to carry out excavation and archaeological sterilisation of a strip approximately 3m wide and 25m long, along the coastal edge at the above scheduled ancient monument.

You declined the opportunity of appearing before, and being heard by, a person appointed for that purpose, afforded to you by Cadw in the letter dated 7 April 2015. Nor have you submitted any further representations in support of your case.

The proposed works can be carried out without detriment to the historic or archaeological integrity of the monument. Accordingly, the Welsh Government hereby grants scheduled monument consent for the works described at paragraph 4 of the application dated 26 March 2015, subject to the following conditions:

1. that Cadw shall be given at least 7 days' notice, in writing/email, of the date of the commencement of the work or of any subsequent adjustment to this date, to allow Cadw's representatives to monitor on site activity;
2. that access to the site shall be afforded to representatives of Cadw;
3. that all works shall be undertaken to the appropriate standards and guidance of the ClfA;

Cadw yw gwasanaeth amgylchedd hanesyddol Llywodraeth Cymru. Ein nod yw hyrwyddo gwaith cadwraeth ar gyfer amgylchedd hanesyddol Cymru a gwerthfawrogiad ohono.

Cadw is the Welsh Government's historic environment service. Our aim is to promote the conservation and appreciation of Wales's historic environment.

Rydym yn croesawu gohebiaeth yn Gymraeg ac yn Saesneg.
We welcome correspondence in both English and Welsh.

4. that the area of the coastal strip is prioritised; in order to sterilise this area and achieve the overall objectives;
5. that any 'trial' trenches shall be undertaken as evaluation trenches, cleaning and revealing features in plan only;
6. that works shall be undertaken in accordance with the submitted application and the proposal in the application for Cadw grant-aid (project DAT136);
7. that any modification to the proposed work shall require the written approval of Cadw, before it is undertaken;
8. that, within six months of the completion of fieldwork, an interim report is deposited with
 - i) Cadw (Adele.Davies42@wales.gsi.gov.uk)
 - ii) The Regional Historic Environment Record held by Dyfed Archaeological Trust (M.Page@dyfedarchaeology.org.uk)
 - iii) the National Monument Record held by the Royal Commission on the Ancient and Historical Monuments of Wales (Email: Gareth.Edwards@rcahmw.gov.uk)
9. that the site shall be left in a stable and tidy condition on completion of the works, to the satisfaction of both Cadw and the landowner;
10. that Cadw shall be informed in writing immediately upon the completion of the works; and
11. that a check shall be made on the site within 3 months of completion of works, in order to make sure that the ground surface is sufficiently well recovered and stable.
Photographs shall be sent to Cadw. If the site has not recovered, re-seeding and/or re-profiling shall be discussed with Cadw.

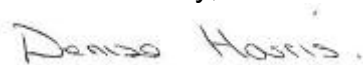

Section 2(6) of the 1979 Act provides that non-compliance with a condition attached to a grant of scheduled monument consent shall be an offence.

By virtue of Section 4 of the 1979 Act if no works to which this consent relates are executed or started within 5 years from the date of this letter, the consent shall cease to have effect at the end of that period (unless it is revoked in the meantime).

This letter does not convey any approval or consent required under any enactment, bylaw, order or regulation other than Section 2 of the Ancient Monuments and Archaeological Areas Act 1979.

Your attention is drawn to the enclosed note (SMC19) which sets out your right to challenge the above decision.

Yours sincerely,

Denise Harris
