Dear MS Gibby,

Ancient Monuments and Archaeological Areas Act 1979
Section 2 and Schedule 1
Application for Scheduled Monument Consent
Proposed works at: Gors Fawr Stone Circle (PE117)

I refer to your application of 12 October 2018 for scheduled monument consent to carry out the repair of damage in the centre of the monument caused by burning at the above scheduled monument.

You declined the opportunity of appearing before, and being heard by, a person appointed for that purpose, afforded to you in the letter of 10 December 2018, nor have you submitted any further representations in support of your case.

The proposed works can be carried out without detriment to the historic or archaeological integrity of the monument. The works accord with the sustainable development principle and contribute towards the well-being goals defined in the Wellbeing of Future Generations (Wales) Act 2015.

Accordingly, the Welsh Ministers hereby grant scheduled monument consent for the works described at paragraph 4 of the application of 12 October 2018 subject to the following conditions.

Conditions

1. that the works shall be carried out in accordance with the application submitted to the Welsh Ministers on 12/10/2018. No variations are permitted unless they have been authorised in advance in writing by the Welsh ministers;
2. that the applicant shall obtain the permission of the landowner in advance of the proposed works; and
3. that the applicant shall prepare a short report on the works, including photographs showing the area affected before work begins, work in progress and on completion.

Mae Gwasanaeth Amgylchedd Hanesyddol Llywodraeth Cymru (Cadw) yn hyrwyddo gwaith cadwraeth ar gyfer amgylchedd hanesyddol Cymru a gwerthfawrogiad ohono.

The Welsh Government Historic Environment Service (Cadw) promotes the conservation and appreciation of Wales's historic environment.

Rydym yn croesawu gohebiaeth yn Gymraeg ac yn Saesneg.
We welcome correspondence in both English and Welsh.

INVESTOR IN PEOPLE

A draft copy of the record shall be sent to the Welsh Ministers within two months of the completion of work on site. Following acceptance by the Welsh Ministers, a final copy of the report shall be submitted to Historic Environment Service (Cadw).

Section 2(6) of the 1979 Act provides that non-compliance with a condition attached to a grant of scheduled monument consent shall be an offence.

By virtue of Section 4 of the 1979 Act if no works to which this consent relates are executed or started within 5 years from the date of this letter, the consent shall cease to have effect at the end of that period (unless it is revoked in the meantime).

This letter does not convey any approval or consent required under any enactment, bylaw, order or regulation other than Section 2 of the Ancient Monuments and Archaeological Areas Act 1979. It is the responsibility of the applicant to obtain any such approval or consent where necessary.

Your attention is drawn to the provisions of Section 55 of the 1979 Act under which, if you are aggrieved by the decision given in this letter, you may challenge its validity by an application made to the High Court within six weeks from the date when the decision is given. The grounds on which an application may be made to the court are:

- a) that a decision is not within the powers of the Act (that is, the Welsh Government has exceeded its powers);
- b) that any of the relevant requirements have not been complied with and the applicant's interest has been substantially prejudiced by the failure to comply.

"The relevant requirements" are defined in Section 55 of the 1979 Act and you are advised to seek legal action before taking any action.

Yours sincerely,

Denise Harris
Policy and Protection
under authority of the Deputy Minister for Culture, Sport and Tourism, one of
the Welsh Ministers
