

1ST March 2024

DAT180

Dear Richard,

Morewoods screening request
Land north of Glanamman

Thank you for your consultation. I have checked the map boundaries against the regional Historic Environment Record (HER) and other sources and note the following historic environment feature:

PRN130092 UNKNOWN BUILDING? SN6756115395
Possible rectangular structure seen on Lidar. A. Powell 2024.

We advise that these historic environment feature (labelled on the map above and marked with a green polygon) is protected from damage during forest operations, to comply with UKFS Forests and the historic environment guidance.

There is always the possibility for previously unknown remains to survive within this area of which we have no knowledge. Should further archaeological features or finds be identified it is important that Dyfed Archaeology Heritage Management is informed and further information and advice can then be provided as required.
