Dear Bev,

FLA 94 20-21 Land at Price's Feed Store near Llandovery

Thank you for your consultation. I have checked the map boundaries against the regional Historic Environment Record (HER) and other sources and note the following historic environment features recorded within the consultation area.

Reproduced by permission of Ordnance Survey on behalf of HMSO © Crown Copyright and database right 2011. All rights reserved. Ordnance Survey License number 100017916

PRN	Summary	Type	NGR
21907	Victoria Arms public house marked on both 1st and 2nd edition OS historic mapping.	Public House	SN7758833887

The current condition of these features is unknown; however they may survive as ruins, earthworks or below ground archaeology. Felling operations should avoid causing damage in these areas.

There is always the possibility for previously unknown remains to survive within this area of which we have no knowledge. Should further archaeological features or finds be identified it is important that Dyfed Archaeological Trust Heritage Management is informed and further information and advice can then be provided as required.
