Advice (If the proposal is considered to be inappropriate at this location please provide an explanation)	<p>The application area lies partially within the Historic Landscape Character Area of Abergwili – Llanegwad Parish (HLCA 183) this is described as <i>‘Valley sides are steep and often cloaked with ancient deciduous woodland. However, most of this area is enclosed under rich pasture, with the vast majority improved grazing and very little rough grazing and unimproved land.’</i></p> <p>We recommend that within this Historic Landscape Character Area planting is predominantly deciduous species to reinforce the existing landscape character.</p>
