Permitting Team (Forestry)

21st July 2022

Dear Karen,

**FLA 149 20-23 Cosheston Estate Wood**

Thank you for your consultation and apologies for the delay. I have reviewed the map boundaries against the regional Historic Environment Record (HER) and other sources and note that forestry operations have the potential to impact on the Registered Grade II Historic Parkland of Cosheston Hall, therefore Cadw must be consulted.

There is always the possibility for previously unknown remains to survive within this area of which we have no knowledge. Should further archaeological features or finds be identified it is important that Dyfed Archaeological Trust Heritage Management is informed and further information and advice can then be provided as required.
