

25<sup>th</sup> July 2022

Dear Kate,

Apologies for the delay in getting back to you.

I've had a look at these proposals in reference to the Historic Environment Record and note the following historic environment features, all derived from historic map sources:

PRN 20949 POST MEDIEVAL SETTLEMENT SN765140

Consists of three farmsteads and their enclosing fields set in open moorland. JH 94

PRN 110690 POST MEDIEVAL BUILDING SN7652914036

Ordnance Survey, 1878, shows a small rectangular building subdivided in two, with a smaller ancillary building close by. Marked and named on OS 1878, and 1905. JS from H. Whitear 2016-17

PRN 110691 POST MEDIEVAL BUILDING SN7647413967

Ordnance Survey 1878 shows a small square building and associated small enclosure (within larger enclosure on open moorland). Marked and named on OS 1878, and 1905, not marked on current maps. JS from H. Whitear 2016-17

PRN 110692 POST MEDIEVAL BUILDING COMPLEX SN7642014065

Marked (but un-named) on OS 1878 as 2 separate buildings in linear arrangement within small regular enclosure (inside larger irregular field system). Named on OS 1905, and also on current mapping, but appears now to be abandoned. JS from H. Whitear 2016-17

PRN 110693 POST MEDIEVAL BUILDING SN7655214155

Marked (but un-named) on OS 1878 as a single building (occupied), but with a second building in outline (former outbuilding?). Now abandoned but marked in outline on current mapping. JS from H. Whitear 2016-17

The current condition of these features is unknown; however they may survive as ruins, earthworks or below ground archaeology. We advise that these historic environment features (shown in green on the map below) are protected from damage during tree planting, to comply with UKFS Forests and the historic environment guidance.

The historic landscape character area of Mynydd Ddu encircles this settlement.

There is always the possibility for previously unknown remains to survive within this area of which we have no knowledge. Should further archaeological features or finds be identified it is important that Dyfed Archaeological Trust Heritage Management is informed and further information and advice can then be provided as required.
