Advice (If the proposal is considered to be inappropriate at this location please provide an explanation)	<p>PRN 129518 Pinged Post Medieval Farmstead SN4262903516 Farmstead recorded on 1st and 2nd Edition Ordnance Survey Maps and parish of Pembrey Tithe Map, 1839. A. Powell 2023.</p> <p>The consultation lies within Llandyry and Pinged Strip Fields Historic Landscape Character Area https://dyfedarchaeology.org.uk/HLC/EstuaryArea/area165.htm in the Taf and Tywi Estuary Landscape of Outstanding Historic Interest.</p> <p>The historic maps show evidence of little woodland in the application area, but field boundaries made of earth banks, hedges and distinctive (<i>broadleaf</i>) trees. We recommend that any tree planning be sympathetic to the HLC and stocking in mixed broadleaf woodland species would be more appropriate.</p>
