DAT  
15064

Dear Steve,

Thank you for sending this FRAP consultation for works at Trostre. I have checked the HER and other sources and note the following record;

PRN 125763 TYPE: Building NGR: SS52519995

A small square building or structure is recorded on the 1st edition Ordnance Survey map. The building is approximately 5 m square. The structure is not recorded on the 2nd edition OS. Current condition unknown.

If any works take place in the location of this building please contact DAT HM for further advice.

Best wishes

Alice

**Subject:** DFR/S/2021/0017 - Flood Risk Activity Permit Application

Good Afternoon Alice,

We have received a Flood Risk Activity Permit (FRAP) application for the installation of two adjacent headwalls, north and south, land north of B4304, Trostre Road, Trostre. Grid Reference - North Headwall SS 52512 99969, South Headwall SS 52513 99967

Please find attached a location plans of the works.

Should you require any further details please contact Stephen Morris ([stephen.morris@naturalresourceswales.gov.uk](mailto:stephen.morris@naturalresourceswales.gov.uk)). Alternatively, if you have no comments to make, then please respond by confirming '**No comments**'.

Please respond by **8 March 2021**\*.

Regards

Steve

\*If you wish to comment on the application, this must be done within 10 working days from receipt of this email, otherwise the permit may be determined without your input.

Stephen Morris
