Dear Paul,

**EIA (Agriculture) Regulations - Consultation Request
Devil's Bridge SN7247720**

Thank you for your EIA screening request, I have checked your map boundaries against the regional Historic Environment Record and other sources and note the following recorded Historic Environment Features within this consultation;

PRN 55010 Post Medieval Cottage SN7258577088

A small cottage within a square enclosure marked on the 1st edition Ordnance Survey map of 1887. Lies within a small collection of 4 cottages south of Ty'n-y-castell farmstead. It appears to have been abandoned by 1905.

PRN 55011 Post Medieval Cottage SN7254277096

A cottage marked on the 1st edition Ordnance Survey map of 1887, aligned E-W with an adjoining enclosure to the east. Lies within a small collection of 4 cottages south of Ty'n-y-castell farmstead. It appears to have been abandoned by 1905.

There is always the possibility for previously unknown remains to survive within this area of which we have no knowledge. Should further archaeological features or finds be identified it is important that Dyfed Archaeological Trust Heritage Management is informed and further information and advice can be provided as required.

If you require any more information or guidance please get in touch.
