Dear Paul,

**EIA (Agriculture) Regulations - Consultation Request  
Llangeitho SN 5912 5716**

Thank you for your EIA screening request and apologies for the delay in responding to it. I have checked your map boundaries against the regional Historic Environment Record and other sources and note the following Historic Environment Features within this consultation area:

**PRN 127902 Post Medieval Cottage SN59125717**

A small unnamed cottage and enclosure are shown on the 1st edition Ordnance Survey map of 1889. A Pyper 2022

*Reproduced by permission of Ordnance Survey on behalf of HMSO. © Crown copyright and database right 2011. All rights reserved. Ordnance Survey Licence number 100017916.*

The current condition of these features is unknown; however they may survive as ruins, earthworks or below ground archaeology. We advise that these historic environment features (shown in green on the map below) are protected from damage.

There is always the possibility for previously unknown remains to survive within this area of which we have no knowledge. Should further archaeological features or finds be identified it is important that Dyfed Archaeological Trust Heritage Management is informed and further information and advice can be provided as required.

If you require any more information or guidance please get in touch.
