Dear Karen,

NRW Screening Request FLA306 22-23 Allt Boeth

Thank you for your felling licence consultation. I've had a look at these proposals in reference to the Historic Environment Record and note the following historic environment features, all derived from historic map sources:

PRN 62612 POST MEDIEVAL COTTAGE SN73487766
Cottage recorded on the edge of woodland on the Ordnance Survey 1st edition map (1887). Presumed ruinous: it is no longer marked on recent maps.

Reproduced by permission of Ordnance Survey on behalf of HMSO. © Crown copyright and database right 2011. All rights reserved. Ordnance Survey Licence number 100017916.

The current condition of these features is unknown; however they may survive as ruins, earthworks or below ground archaeology. We advise that these historic environment features (shown in blue on the map above) are protected from damage during forest operations, to comply with UKFS Forests and the historic environment guidance.

There is always the possibility for previously unknown remains to survive within this area of which we have no knowledge. Should further archaeological features or finds be identified it is important that Dyfed Archaeological Trust Heritage Management is informed and further information and advice can then be provided as required.
