In addition, the consultation area lies within the Cadw Registered Park Boundary of Stackpole Court PGW(Dy)44(PEM) this will need to be shared with Lisa Fiddes, Cadw Inspector for Historic Parks and Gardens for consultation.

There is always the possibility for previously unknown remains to survive within this area of which we have no knowledge. Should further archaeological features or finds be identified it is important that Dyfed Archaeological Trust Heritage Management is informed and further information and advice can then be provided as required.
