Dear Beverley,

NRW Screening Request FLA 446 22-23 Maple Dene

Thank you for your felling licence consultation. I've had a look at the proposal in reference to the Historic Environment Record and note the following historic environment feature, derived from historic map sources:

PRN129515 The Cottage Post Medieval Plantation SN3541411097
Plantation associated with the gentry house "The Cottage". A. Powell 2023.

© Crown Copyright. Welsh Government. Licence Number: 100017916 (2022)

© Hawlfraint y Goron. Llywodraeth Cymru. Rhif Trwydded: 100017916 (2022)

The Historic maps show paths through the woodland and there may be features associated with its use as a recreation woodland (shown in green on the map above). Restocking should be sympathetic to the historic landscape character which is a mix of conifer and broadleaf woodland.

There is always the possibility for previously unknown remains to survive within this area of which we have no knowledge. Should further archaeological features or finds be identified it is important that Dyfed Archaeological Trust Heritage Management is informed and further information and advice can then be provided as required.
