

20<sup>th</sup> August 2024

Dear Peter,

**NRW Screening Request FLA63 24-25 Bryn Mawr**

Thank you for your felling licence consultation. I have reviewed the map boundaries against the regional Historic Environment Record (HER) and other sources and note the consultation lies with the Historic Landscape Character Area Cwm Berwyn Forestry Plantation.

<https://dyfedarchaeology.org.uk/HLC/uplandceredigion/cwmberwyn.htm>

I also note the following features.

Compartment 3d

PRN 98694      BLAEN-WAUN POST MEDIEVAL FARMSTEAD      SN66945124

A minor upland farmstead consisting of a single building recorded on the Ordnance Survey 1st edition map (Sheet 35NW, 1891, 25"). Marked in outline on recent map; presumably ruinous.

A path leading from the farm to a labelled spring is recorded on the 1<sup>st</sup> Edition Ordnance Survey Map. A. Powell 2024.

Compartment 5

PRN 9598      CASTLEHILL FARM POST MEDIEVAL FARMHOUSE      SN66675078

A minor upland farmstead recorded on the Ordnance Survey 1st edition map (Sheet 35NW, 1891, 25"). Abandoned but marked in outline on recent maps suggesting that a ruin may survive.

Compartment 7j

Area of peat. Peat has the potential to preserve paleoenvironmental evidence and waterlogged deposits.

Dyfed Archaeology

The current condition of these features is unknown; however, they may survive as a ruin, earthworks or below ground archaeology. We advise that the historic environment features (labelled on the map above and marked with a green or red polygon) are protected from damage during forest operations, to comply with UKFS Forests and the historic environment guidance. We also advise that no restocking take place over the area of peat.

There is always the possibility for previously unknown remains to survive within this area of which we have no knowledge. Should further archaeological features or finds be identified it is important that Heneb – The Trust for Welsh Archaeology, Heritage Management Dyfed region is informed and further information and advice can then be provided as required.
