Dear Doug,

NRW Screening Request FLA153 24-25 Glantowy

Thank you for your felling licence consultation. I have reviewed the map boundaries against the regional Historic Environment Record (HER) and other sources and note that consultation areas 1a and 1b lie within the Historic Landscape Character Area Cilgwyn - Llwynwormwood. Compartments 2a and 2b lie within the Historic Landscape Character Area Ystrad Tywi: Llangadog-Llandovery.

The current condition of these features is unknown; however, they may survive as ruins, earthworks or below ground archaeology. We advise that these historic environment features (labelled on the map above and marked with a green polygon or red dot) are protected from damage during forest operations, to comply with UKFS Forests and the historic environment guidance.

There is always the possibility for previously unknown remains to survive within this area of which we have no knowledge. Should further archaeological features or finds be identified it is important that Henneb – The Trust for Welsh Archaeology, Heritage Management Dyfed region is informed and further information and advice can then be provided as required.
